Re: Report to City Council

Custodian of Records – Records Requests:

The city has received and processed 10 record requests under the Missouri Sunshine Law for the period of January 12th, 2023 – February 16th, 2023.

Setting April Council Meeting Date

The April meeting date is typically postponed one week in order to receive official ballot results. Due to scheduling conflicts, Mayor Spewak has asked that we keep the regular meeting date, April 17th, and hold a special meeting in early May with the purpose of swearing in reappointed officials.

Establishment of Ad Hoc Committee

Mayor Spewak, in coordination with the Director of Finance, and Chairman of the Finance Committee, would like to establish an ad hoc committee. The intent of the committee is to review current and potential revenue streams and establish long-term financial strategies.

The Mayor is seeking appointment of the following members to this ad hoc committee:

- Joe Gazzoli, Chairman
- Dave Ryan
- Lisa Guirl
- David Wells
- Wally Klein
- Joe Rechter
- *Scott Kroenung, Staff Liaison**

Department Directors, and members of the Public Works Committee and Board of Fire and Police, will be included in these meetings to provide feedback.

Resolution 2023-08

Staff wishes to continue their relationship with Public Relations Specialist, Susan Ryan. No changes to contract terms or pricing are included in the professional services agreement.

Resolution 2023-09

At the direction of Mayor Spewak, staff is working on applying for a municipal waste grant through St. Louis County, with the intent of hosting an electronic recycling event in late 2023. If the grant is

obtained, this event would occur at no cost to the city. Our first Electronic Recycling Event would be open to Ladue residents only to determine turnout for possible future events.

A list of acceptable items is provided here <https://mrcrecycling.net/recycling-fees>

*Items requiring a fee would be at the cost of the resident.

Change to Agenda Format

Following Department Reports on the Council Agenda, a new section, Reports of Various Board & Commission Meetings, has been added. These reports are draft minutes of the commissions that have met following the last Council meeting. This is in an effort to increase Council inclusion, and to allow for any discussion or recommendations on matters taken up by the committees.

Reports will be reviewed and filed similar to department reports.
